

Booking the IMSC Courts.

◆ **Members** wishing to book a court please go to <http://www.clubsite.co/facilities.php?club=ILMINGTON> or click the link on the club web site. **Only paid up members can book courts.**

◆ A booking only gives you priority for the court for the first 15 minutes of the hour. If you have not turned up by quarter past the hour then you forfeit your booking. If someone else is there and wants to play then they have the right to continue for the rest of that hour, even if you turn up late and want to play.

◆ League matches will take priority over any other bookings. Occasionally a league match has to be postponed and re-arranged. If it needs to be re-arranged within the two week window on the system, then we will ask the club players to reschedule their match and allow the league match to be played. We will give as much notice as possible.

◆ **Group Bookings.** If you represent a group and would like to make a regular booking for coaching or team play, then please contact

Kate Wall (01789-450632 or walkate@me.com)

◆ **Light Tokens** will be required when floodlights are used and these can be purchased from **Ilmington Community Shop**. They cost **£3.50 each** and last for an hour. A “5 minute warning” light on the clubhouse will come on after 55 minutes. There is a meter on the side of the clubhouse which is accessible with a code.

If you have any questions regarding the on line booking system please contact one of the committee members below:
