

VISITORS TO ILMINGTON MULTI SPORTS CLUB

Visitors - If you are visiting the area or would like to try out the court before joining, please contact any one of the people below who will be able to book a court for you. This is the only way you can book a court as we have an “on-line booking system” for members only.

The cost is £8 for up to four players to play for an hour. Once you have booked a court we will give you the court access code.
